Subject: Jane BOSANCO, c.1763?????

Hi Kay,
I posted out my messages to you and then read my incoming mail to find that the Bosanco wills for Crowan were already available from John. Never mind, the more the merrier.

I am wondering if anyone of our select group might be able to help me? I have a Jane BOSANCO b.abt1763 who married my 4xgrt, John MILDREN in St.Keverne in 1785, she died in St.K. in 1853. I do not have parents for her and the only Janes on the IGI are not even close to her, baptisms are 1802+, marriages in 1626, 1808 & 1813.

If patronymics were used then the following names of Jane's children may be able to help locate something. There were twelve children between 1786 and 1810, I find it a little hard to believe that she would have still been giving birth at 47 myself but I have not had the chance to verify the records given to me.
The names used were: Jane, John, Henry, Sarah, Elizabeth, Richard, William, Thomas, Allice, Martha, John, and James. John Mildren's family included Father- Thomas, Mother- Elizabeth, siblings- Martha, Allice, Thomas, James, Richard, Mary, Elizabeth & Margaret. Henry could be the biggest clue as to Jane's father as there is no history in the Mildren family of Henry being used, nor Sarah or James so it is possible that these names are from the Bosanco family.

Does anyone have any knowledge of my Jane????? Any suggestions??

Jane BOSANCO m John MILDREN
b 1765 St Keverne — 5 Jul 1785 St Keverne
d. 12 Feb 1853 St Keverne

Hi Kay,
I've managed to get through the backlog now, just left the ones I have to write a lengthy reply to or that needs a bit of file checking before the reply. So, please do send those missing ones through, I have now worked out that my mailbox must be able to take 1650 messages, a few attachments took up the extra room! I was not able to do anything with the Bosanco ones you sent through. It might be better for you to hold on to them and we can request them sent through if needed.
Anyhows...
I suddenly just realised that I have not sent out any Bosanco bait. I have not been able to learn of the origins of my 4xGrt Grandmother, Jane Bosanco. Jane was born c.1765 I assume, taken that she would have been about 20-ish when she married John MILDREN, 5 Jul 1785 in St.Keverne. Their children include: Jane (1786); John (1788); Henry (1790); Sarah (1792); Elizabeth (1794); Richard (1796); William (1798); Thomas (1800); Allice (1802); Martha (1804); John (1808) & James (1810). An even dozen.! I am descended from their daughter, Sarah who married John LAWRENCE in 1818.
So, any takers??? One Jane Bosanco, b.c1765, somewhere around St.Keverne. Familiar to anyone? I was hoping the names of her children might ring a bell as being named after her parents and/or siblings.
Oh well, 'twas worth a try....
Seriously, have a Sensational Silly Season,

Subject: My name is Jane BOSANCO....

Hi Folks,
My name is Jane BOSANCO, I was born about 1763, somewhere in the vicinity of St.Keverne. I married John MILDREN on 5 July 1785 at St.Keverne. I died on 12 February 1853, still in St.Keverne. I have no place of birth nor parents or siblings. In fact, the only thing I do know is my name and those of my husband, my children and my descendants, one of whom is trying really hard to help me but is not able to get anywhere, her name is Michelle and she needs a lead, any lead to find my long lost family.
Please, can anyone help us find my family?

Attendance and Absence/Tardiness Policies and Procedures

Each position within the company is vital to the companies overall success in fulfilling our customers' needs. In order for ME&A to provide high-quality service to its customers on a consistent basis, employee attendance must be reliable. While absenteeism has many causes, it creates additional burdens for employees who do report to work and increases the potential for poor service to our customers.

Absenteeism includes not only absence from work, but late reporting for a scheduled shift, unauthorized extension of a lunch or break period, leaving early or improper use of other employer-paid time.

Our company absentee policy is set up to treat all employees equally and will ensure that each employee is aware, at each step of the procedure, of the measures that must be taken to avoid further discipline. The company does reserve the right to expedite the disciplinary process for employees with attendance problems during their probationary period.

1. You will be charged 1 day absent for each day of unexcused absence.
2. You will be charged 1/2 day for unexcused tardiness.

Example: If you are absent for 1 day, you will be charged 1 day, if you are absent for 3 consecutive days, you will be charged 3 absences.
